

Stone Baked Artisan

STONE BAKED BY US

All the QBA Artisan bread range is baked direct on a 3,000 Italian Marble stone oven base. This gives our rolls a rich golden crust with a soft open crumb on the inside.

FLASH BAKED BY YOU

Our QBA Artisan bread has been specially developed to be flash baked in a matter of minutes.

FROZEN FRESH

Made using quality ingredients like Australian wheat flour, then frozen fresh straight from our oven.

BREAD EXPERTS

Committed to quality and serious about bread, Goodman Fielder has been part of the baking community for over 100 years - with some of Australia's favourite brands.

AUSTRALIAN INGREDIENTS

All of our QBA Artisan Range is proudly made in Australia, from at least 90% Australian ingredients.
